

New Hospital Residents Need Housing

Housing for a new group of resident physicians at Harbor General Hospital is being sought, according to Leonard Edney, manager of general services at the hospital.

Quarters for the internes have been provided, and many of the residents have been housed, Edney said. However rooms and apartments for doctors completing their residency requirements at the hospital are needed, he said.

Persons with information about rentals at a reasonable figure are being asked to call the medical director's office at the hospital.

Free Ticket To Movie In Herald Today

Included in today's issue of the Torrance Herald is a ticket granting free admission for you and your friends to the Harbor Drive-In Theatre, 23444 S. Vermont Ave., for a showing of two top hits Tuesday night, June 29.

Your Herald carrier boy and Joe Greene, popular manager of the theatre, are cooperating to sponsor a theatre party on that night, when the Bing Crosby-Jane Wyman film "Just For You" will team with the thriller "Iron Glove" to provide the evening's entertainment.

Greene, who has appeared in 83 motion pictures himself, soon will be seen in the Burt Lancaster starrer "Bronco Apache," to be released this summer.

The ticket in today's Herald admits you and all guests in your car to the theatre free of charge. On July 6, the Drive-In will present "The Stooge," with Dean Martin and Jerry Lewis, and "Flight to Tangier," with Joan Fontaine and Jack Palance.

"Iron Glove," filmed in technicolor, stars Robert Stack and lovely Ursula Thies.

Sewers Nearing 'Tie-In' Stage

By Agnes Moseley
FB 5-4304

The residents of Sepulveda Gardens are having great sighs of relief as the first portion of the sewer project in that area comes to an end. Most of us feel that the "disturbed" lawns, the ever-present dust, and the noise of heavy equipment has been well worth any inconvenience we experienced. The promise of no more sagging cesspools is really a load off our collective mind.

The next step, of course, is the final connection from city sewer to the plumbing of individual homes. This is to be accomplished by various contractors.

P. L. McMichael and his wife, Billie, who reside at 4710 Avenue B, deserve a large vote of thanks from their neighbors this week.

Gas Company Rate Boost Hearing Set

The California Public Utilities Commission Friday set July 21 as the date when public hearings will begin on the application of Southern California Gas Company for a \$6,000,000 increase in rates.

The company seeks to bring its rate of return after all expenses to 6.16 per cent from 5.85 per cent, which was found reasonable by the Commission in 1952. Increased cost of out-of-state gas together with additional expense for distribution were given as reasons for the request.

According to company estimates, the proposed boost would add about 27 cents a month to the bill of the average household in Los Angeles.

Since Feb. 1, 1950, the company has asked for approximately \$30,400,000 in rate increases and received \$18,647,000. A total of \$8,057,000 was authorized early last year, including an "offset" increase of \$4,946,000 to compensate for higher costs of Texas gas.

Southern California Gas Company serves some 1,400,000 consumers in Los Angeles, Fresno, Kings, Tulare, Santa Barbara, Kern, Riverside, San Bernardino and Imperial counties.

Five In Family Whoop It Up

No bunny ever did the "Bunny Hop" or even the "Hokey Pokey" with such enthusiasm as put forth by Mr. and Mrs. Roland Petrat, Mr. and Mrs. Earl Eckert, Mr. and Mrs. Paul Herring, Mr. and Mrs. W. A. Wright, and Mrs. Glen Runsted at the July 19th party of the Philo Melody, 18249 Ashley Ave. Further celebration entertainment included charades and musical chairs! A ham buffet midnight dinner proved merely as an intermission for the party that ran way into the wee hours!

Sorely missed in the neighborhood is the Julian Burch family, 18313 Roslin Ave., who are vacationing in Woodville, Wis. Hurry home, Irene, Julian, Paul, Richard and Rebecca!

Supperously getting together for a "Bible Study" class, Audrey Herring managed to completely surprise Mildred Westmoreland with a birthday party with special guests dropping in to also wish her a happy birthday.

The Paul Herrings, 18312 Roslin Ave., with their three children, Patricia Lynn, John David and Pauletta Shirlene are happily headed for Digion, Luray, and Buhler, Kans., with a short stop-over at Gracemount, Okla.

The Gordon Cambridges, 18237 Roslin Ave., with sons Marcus and Dennis are vacationing in Utah for the next two weeks. Happy hunting, Gordon!

Mrs. Naomi McVey, 3825 West 17th St., is on a train which will take her to the bedside of her mother who is in the Tucson (Ariz.) Hospital.

Mrs. Glen Runsted and daughter Joann, 18235 Roslin Ave., have found out that horseback riding in Ventura can't be beat as a vacation sport. Well, to each his own!

Proudest parents in El Nido are Mr. and Mrs. John White on the arrival of Miss Jeanette White who weighed in at 7 lbs., 6 oz., on the 24th of June.

Don't forget that this is your column, Northwest Torrance residents, and any item of news that you might have is of great interest to us. Please call Frontier 2-2288 or drop a card or letter to 18328 Roslin Ave., Torrance.
